CLEANING CLAY BAR

CCB 00

Restores a smooth, glossy finish

▶ WATCH VIDEO

CLEANING CLAY BAR

CCB 00

- Quickly and easily removes bonded surface contaminants like overspray, bug debris, road tar, rail dust and fresh water spots
- Restores a smooth, glossy finish
- Prepares the paint for polishing or waxing
- Non-abrasive and safe on clear-coat and single-stage paints, glass, metal and plastic
- For optimal results use with clean clay lubricant (CCL 10)

COMBINE WITH:

CCL 10 Cleaning clay lubricant

HOW TO USE:

Specially designed to provide the vehicle with a lubricant during the claying process. This will allow you to remove adhered contaminants from the surface very easily and efficiently. With the help of this lubricant, the risk of scratches is significantly reduced and the surface feels smooth. After claying, the surface is ready to be polished or waxed.
